Important Notes

The “Next Edge Biotech and Life Sciences Opportunities Fund” or “Fund” means the “Next Edge Biotech and Life Sciences Opportunities Fund”. Capitalized terms not defined in this presentation are defined as set forth in the prospectus of the Fund (the “Prospectus”).

This communication is not, and under no circumstances is to be construed as an invitation to make an investment in the Fund nor does it constitute a public offering to sell the Fund or any other products described herein. Applications for the Fund will only be considered on the terms of the Prospectus. Each purchaser of the units (the “Units”) may have statutory or contractual rights of action under certain circumstances as disclosed in the Prospectus. Please review the provisions of the applicable securities legislation for particulars of these rights.

Terms defined herein shall have the same meaning as in the Prospectus. Potential investors should note that alternative investments can involve significant risks and the value of an investment may go down as well as up. There is no guarantee of trading performance and past or projected performance is not indicative of future results. Investors should review the Prospectus in its entirety for a complete description of the Fund, its risks, and consult their registered dealers before making an investment.

The information contained in this material is subject to change without notice and Next Edge Capital Corp. will not be held liable for any inaccuracies or misprints. The Fund has not been and will not be, registered under the United States Securities Act of 1933, as amended (the “U.S. Securities Act”), or the securities laws of any state of the United States. The Fund may not be offered or sold in the United States or to US persons.

Any descriptions or information involving investment process or strategies is provided for illustration purposes only, may not be fully indicative of any present or future investments, may be changed at the discretion of the Portfolio Manager, and are not intended to reflect performance.

Cautionary Note Regarding Forward-Looking Statements

The following presentation may contain forward-looking statements. All statements, other than statements of historical fact, that address activities, events or developments that Next Edge Capital Corp., the Portfolio Manager, or any affiliates thereof (the 'Companies') believe, expect, or anticipate will or may occur in the future (including, without limitation, statements regarding any targeted returns, projections, forecasts, statements, and future plans and objectives of the Companies) are forward-looking statements. These forward-looking statements reflect the current expectations, assumptions or beliefs of the Companies based on information currently available to the Companies.

Forward-looking statements are subject to a number of risks and uncertainties that may cause the actual results of the Companies to differ materially from those discussed in the forward-looking statements, and even if such actual results are realized or substantially realized, there can be no assurance that they will have the expected consequences to, or effects on, the Companies.

Factors that could cause actual results or events to differ materially from current expectations include, among other things, changes in international financial and commodities markets, fluctuations in currency exchange and interest rates, illiquidity of portfolio investments, reduction in availability of leverage, default by counterparties, special risks arising from short sales and investments in forward contracts and other derivatives, unintentional trades, accuracy of analytical models, valuation risks, limitations on redemptions, tax consequences, changes in applicable laws and other risks associated with investing in securities and those factors discussed under the section entitled 'Risk Factors' in the Prospectus.

Any forward-looking statement speaks only as of the date on which it is made and, except as may be required by applicable securities laws, the Companies disclaim any intent or obligation to update any forward-looking statement, whether as a result of new information, future events, or results or otherwise. Although the Companies believe that the assumptions inherent in the forward-looking statements are reasonable, forward-looking statements are not guarantees of future performance and accordingly undue reliance should not be put on such statements due to the inherent uncertainty therein.

Certain Risks of Investing in Next Edge Biotech and Life Sciences Opportunities Fund

There are risks associated with an investment in the Fund, as a result of, among other considerations, the nature and operation of the Fund. An investment in units should only be made after consulting qualified sources of investment and tax advice.

The following does not purport to be a complete summary of all of the risks associated with an investment in the Fund. Please see the "Risk Factors" section of the Fund's Prospectus for a complete listing and description of the risks associated with an investment in the Fund. The Fund is generally exposed to the following risks: Biotechnology Industry Risk; Borrowing Risk; Counterparty Risk; Credit Risk; Cybersecurity Risk; Derivatives Risk; Equity Securities Risk; ETF Risk; Foreign Currency Risk; Foreign Securities Risk; Interest Rate Risk; Legislation and Litigation Risk; Leverage Risk; Liquidity Risk; Multiple Class Risk; Options Risk; Price Volatility Risk; Repurchase and Reverse Repurchase Transactions and Securities Lending Risk; Short Selling Risk; Stock Market Risk; Substantial Securityholder Risk and Tax Risk.

About Next Edge Capital Corp.

Next Edge Capital Corp. (“Next Edge”) is an alternative investment fund manager providing leading-edge solutions for investors. For almost two decades our experienced team has launched numerous investment solutions in a variety of product structures. The people and approaches we discover may not be well known, but we believe they provide something remarkable – access to what’s next.

- ✓ Formed in July 2006 as Man Investments Canada Corp. and spun out via a management buyout in June 2014 and renamed to Next Edge Capital Corp.
- ✓ Registered as an Exempt Market Dealer, Portfolio Manager and Investment Fund Manager*.
- ✓ Management team responsible for raising over CDN \$3 Billion of alternative assets in Canada since 2000**.
- ✓ Focused on providing unique, non-correlated investment ideas.

* Registered as an Investment Fund Manager in Ontario, Québec and Newfoundland and Labrador; a Portfolio Manager in Alberta and Ontario; and an Exempt Market Dealer in Alberta, British Columbia, Manitoba, New Brunswick, Nova Scotia, Ontario, Québec and Saskatchewan.

**Please note that over CDN \$2 Billion of the CDN \$3 Billion of alternative assets raised relates to assets raised at a previous firm(s).

About Next Edge Capital Corp.

Our Funds

*Based on Portfolio Securities in the Fund's Portfolio after the closing of the initial public offering on December 21, 2023 were fully deployed.

Why the Next Edge Biotech and Life Sciences Opportunities Fund?

Experienced Team

EDEN RAHIM
Portfolio Manager

Eden Rahim is the Portfolio Manager for the Next Edge Biotech and Life Sciences Opportunities Fund. He also manages the Purpose Healthcare Innovation Yield ETF (TSX ticker: HEAL) as a sub-advisor. Eden's broad experience includes over twenty-five years as a Portfolio and Hedge Fund Money Manager, Options Strategist, Derivatives & Biotech Analyst.

Eden possesses a top quartile 5-year 5-Star growth fund Portfolio Manager track record on over \$1 billion in assets across 4 mandates at RBC Global Asset Management, in addition, Eden has delivered a +26% compounded annual return across a biotechnology mandate between 1995-2003. His experience also includes overseeing 14 Covered Call ETFs (over \$0.7 Billion AUM) in Canada, the US & Australia while at Horizons Exchange Traded Funds.

Eden is a regular guest speaker on the biotech industry on Bloomberg TV, BNN, as well as an author and contributor to many industry sources and major press articles in the US, and Canada. He also contributes as a speaker at numerous healthcare conferences.

MICHAEL BIRD
Associate Portfolio Manager

Michael Bird is the Associate Portfolio Manager and Trader for the Next Edge Biotech and Life Sciences Opportunities Fund.

He possesses over twenty-five years of equity, options and derivative trading experience. Previously he was Vice President and Head of the equity derivatives group at Desjardins Securities. Other prior experience includes Vice President and Senior Trader in the equity derivatives group at RBC, Vice President at CIBC Wood Gundy, and options and proprietary trader at BNS.

Mike has served on the TSE Derivative Markets Committee and is a former Director and Chair of the Audit Committee of Intrinsyc Technologies Corporation (TSX: ITC) in addition to other board experience.

Next Edge Biotech and Life Sciences Opportunities Fund

- ✓ **Why the Next Edge Biotech and Life Sciences Opportunities Fund?**
 - Experienced management team with over two decades of experience in biotech and life sciences
 - A deep understanding of the science
 - A unique, well-defined investment process of investing in companies in this sector
- ✓ **The Case for Biotech and Life Sciences**
 - Cost and technology has forever changed the development of new treatments and cures
 - Accelerated discoveries potential leads to vast wealth creation
 - Undervalued Biotech Market
 - Early stages of a New Biotech Bull Market
- ✓ **Mergers & Acquisitions (M&A) Activity**
 - Acquisitions: Small and Mid-Sized Biotech Companies as Farm System for Big BioPharma
 - Historical Data
 - Profit potential from significant premiums
- ✓ **Low Correlation – Diversification benefits of the Biotech sector**
- ✓ **Biotech - Virtuous Industry: Investing in drug discovery enables delivery of life saving therapeutics**

More than a Decade of Biotech Breakthroughs

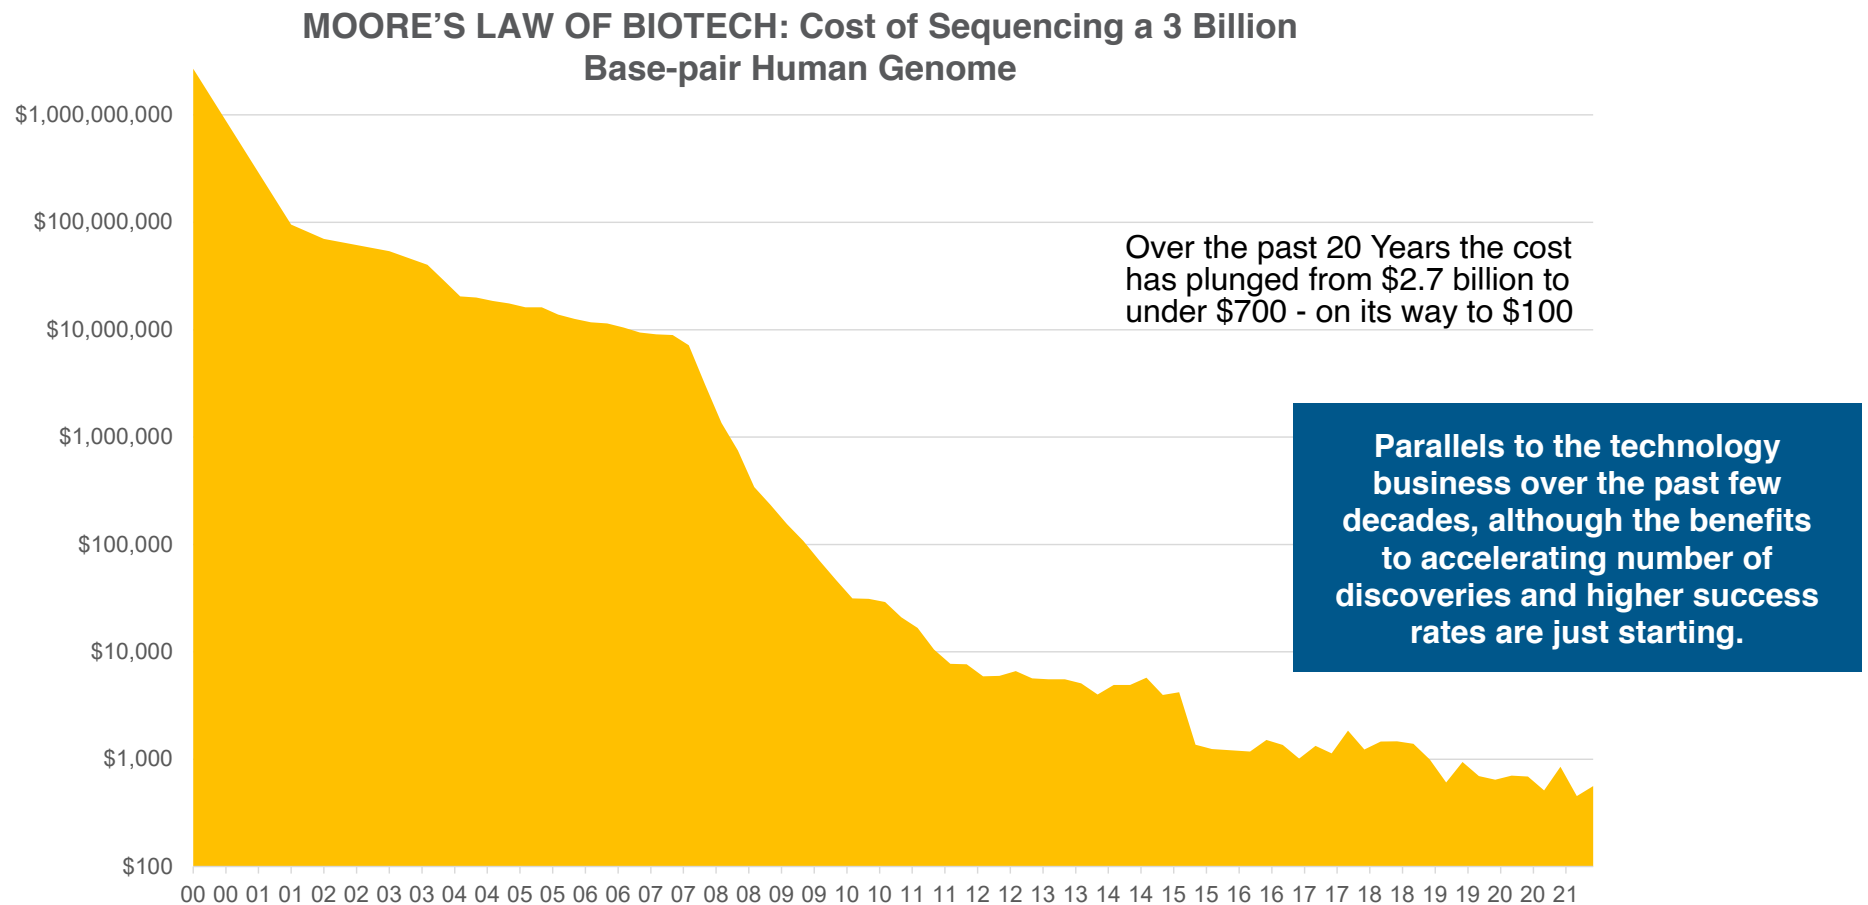

2005-2020

Source: Pharma.org, "Biopharmaceuticals In Perspective", until Spring 2016 and Next Edge Capital Corp. from 2017 onwards

The Case for Biotech and Life Sciences - Why now?

Cost to decode the human genome has plummeted from \$2.7 Billion to Under \$1,000 per DNA Sequence.

Technology Fusing With Biotech: The Emerging 21st Century Biotech Ecosystem

Source: Next Edge Capital Corp.

Future of Computationally Driven Drug Discovery is Bright

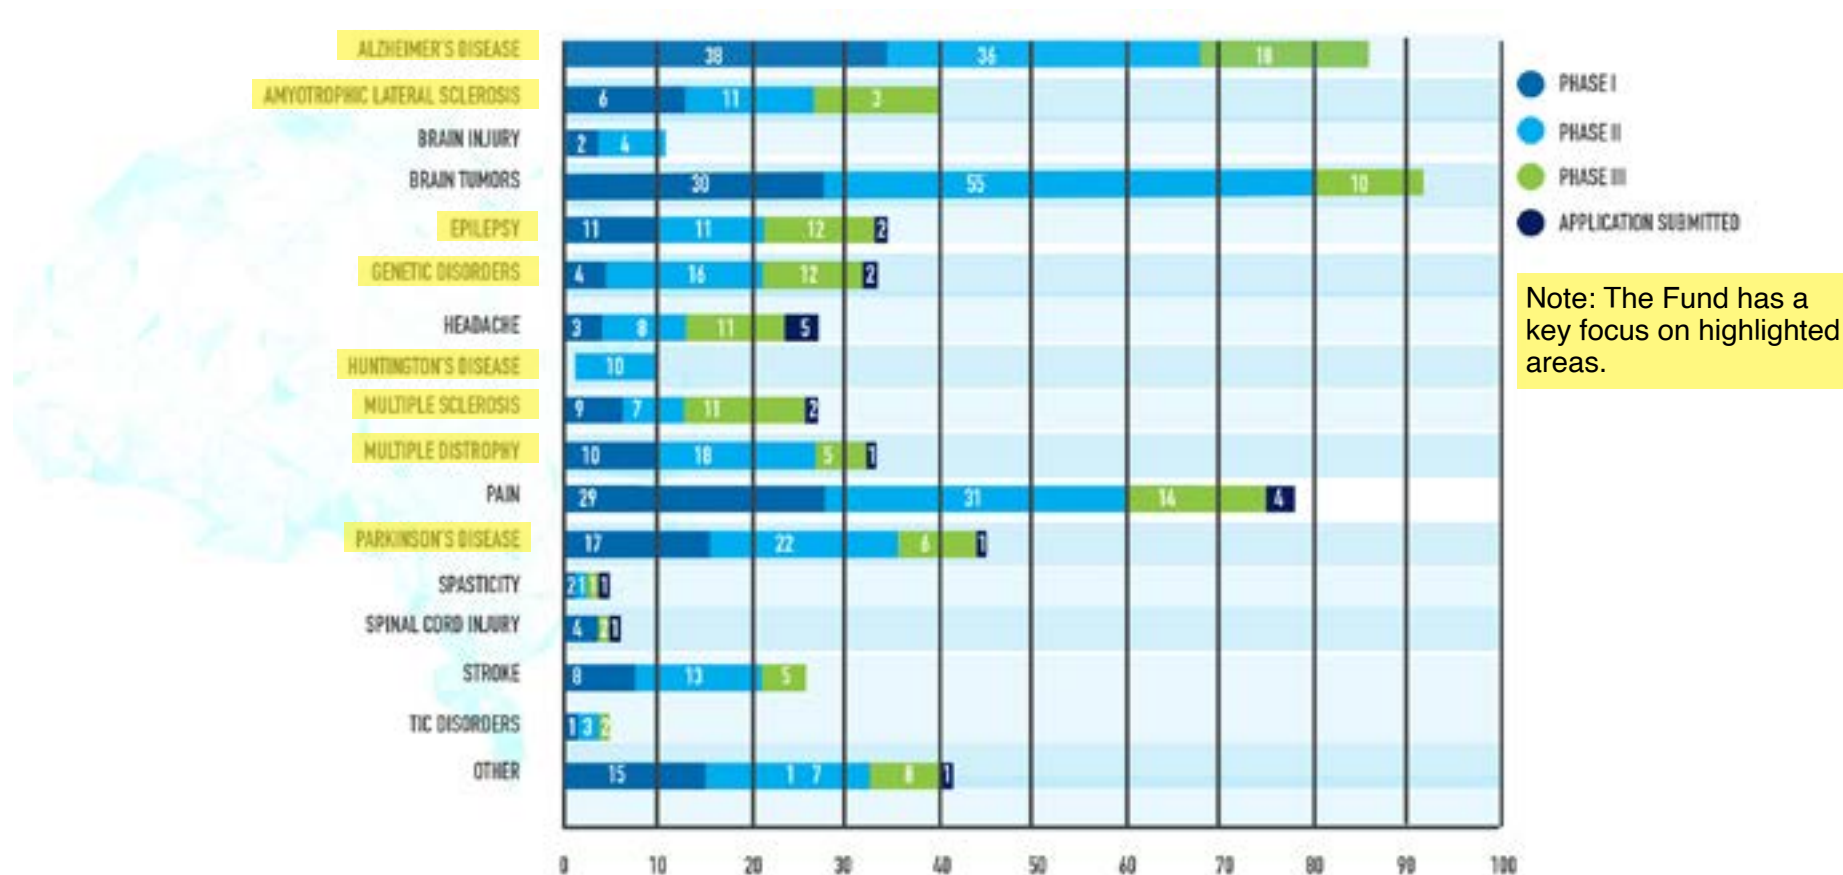

Our predictions for the next decade:

- Computers **>100X** faster
- High quality protein structures of **~75%** of the human genome
- Explore **trillions** of compounds per program
- **~10** molecular properties computed with experimental accuracy

This could enable discovery of high quality development candidates within ~1 year of program launch

The Case for Biotech and Life Sciences - Why now?

Summary

Why Biotech and Life Sciences?

Accelerated discoveries, as technology has fused with biotech.

Higher Success Rates on discoveries due to innovation from research and development progress.

Vast Wealth Creation potential due to rapidly increasing breakthroughs from the companies of tomorrow.

Accommodating regulatory environment.

Life-Saving and Quality of Life Solutions are being created for all humankind by investing in the sector.

Why the Next Edge Biotech and Life Sciences Opportunities Fund?

- Access to companies that have the potential to be tomorrow's winners.
- Experienced management team with over two decades of experience in biotech and life sciences.
- Specialized knowledge and experience required to navigate and invest in this space.
- The Fund's Portfolio Manager has a robust prior track record via other funds managed in biotech and healthcare.
- The Fund's Portfolio Management team have a vast network of contacts within investible companies, key opinion leaders (KOL), research firms, and other information sources globally.
- Only dedicated fund in Canada with exposure to predominately small and midcap Biotech and Life Sciences companies.
- Zero Management Fee, only performance fees, aligning interests of the Fund with investors.
