Veritas Next Edge Premium Yield Fund

March 2025

Important Notes

The “Veritas Next Edge Premium Yield Fund” or “Fund” means the “Veritas Next Edge Premium Yield Fund”. Capitalized terms not defined in this presentation are defined as set forth in the prospectus of the Fund (the “Prospectus”). This communication is not, and under no circumstances is to be construed as an invitation to make an investment in the Fund nor does it constitute a public offering to sell the Fund or any other products described herein. Applications for the Fund will only be considered on the terms of the Prospectus. Each purchaser of the units (the “Units”) may have statutory or contractual rights of action under certain circumstances as disclosed in the Prospectus. Please review the provisions of the applicable securities legislation for particulars of these rights.

Terms defined herein shall have the same meaning as in the Prospectus. Potential investors should note that alternative investments can involve significant risks and the value of an investment may go down as well as up. There is no guarantee of trading performance and past or projected performance is not indicative of future results. Investors should review the Prospectus in its entirety for a complete description of the Fund, its risks, and consult their registered dealers before making an investment.

The information contained in this material is subject to change without notice and Next Edge Capital Corp. will not be held liable for any inaccuracies or misprints. The Fund has not been and will not be, registered under the United States Securities Act of 1933, as amended (the “U.S. Securities Act”), or the securities laws of any state of the United States. The Fund may not be offered or sold in the United States or to US persons.

Any descriptions or information involving investment process or strategies is provided for illustration purposes only, may not be fully indicative of any present or future investments, may be changed at the discretion of the Portfolio Manager, and are not intended to reflect performance.

Cautionary Note Regarding Forward-Looking Statements

The following presentation may contain forward-looking statements. All statements, other than statements of historical fact, that address activities, events or developments that Next Edge Capital Corp., the Portfolio Manager, Vertias Asset Management or any affiliates thereof (the ‘Companies’) believe, expect, or anticipate will or may occur in the future (including, without limitation, statements regarding any targeted returns, projections, forecasts, statements, and future plans and objectives of the Companies) are forward-looking statements. These forward-looking statements reflect the current expectations, assumptions or beliefs of the Companies based on information currently available to the Companies.

Forward-looking statements are subject to a number of risks and uncertainties that may cause the actual results of the Companies to differ materially from those discussed in the forward-looking statements, and even if such actual results are realized or substantially realized, there can be no assurance that they will have the expected consequences to, or effects on, the Companies.

Factors that could cause actual results or events to differ materially from current expectations include, among other things, changes in international financial and commodities markets, fluctuations in currency exchange and interest rates, illiquidity of portfolio investments, reduction in availability of leverage, default by counterparties, special risks arising from short sales and investments in forward contracts and other derivatives, unintentional trades, accuracy of analytical models, valuation risks, limitations on redemptions, tax consequences, changes in applicable laws and other risks associated with investing in securities and those factors discussed under the section entitled ‘Risk Factors’ in the Prospectus.

Any forward-looking statement speaks only as of the date on which it is made and, except as may be required by applicable securities laws, the Companies disclaim any intent or obligation to update any forward-looking statement, whether as a result of new information, future events, or results or otherwise. Although the Companies believe that the assumptions inherent in the forward-looking statements are reasonable, forward-looking statements are not guarantees of future performance and accordingly undue reliance should not be put on such statements due to the inherent uncertainty therein.

Veritas Next Edge Premium Yield Fund

The Veritas Next Edge Premium Yield Fund through Veritas Asset Management Inc. ("Veritas"), leverages the award-winning, independent, and in-depth research of Veritas Investment Research Corporation to formulate a diversified portfolio of equities with a bias towards yield, and capital preservation, and uses a covered option overlay to generate additional yield and further mitigate downside risk and volatility.

Key Fund Features

1

Opportunity to Achieve Long-Term Capital Appreciation

- ✓ Diversified portfolio of high-quality Canadian equities.
- ✓ Downside risk and portfolio volatility mitigation through the combination of in-depth fundamental accounting-based analysis and option overlay.

2

Attractive Yield

- ✓ Distributions will be paid out monthly with a targeted yield of 5% per annum*.
- ✓ Sustainable dividend yield on portfolio securities plus covered call and cash covered puts to enhance yield.

3

Veritas Portfolio Selection

- ✓ Portfolio based on securities selected by Veritas.

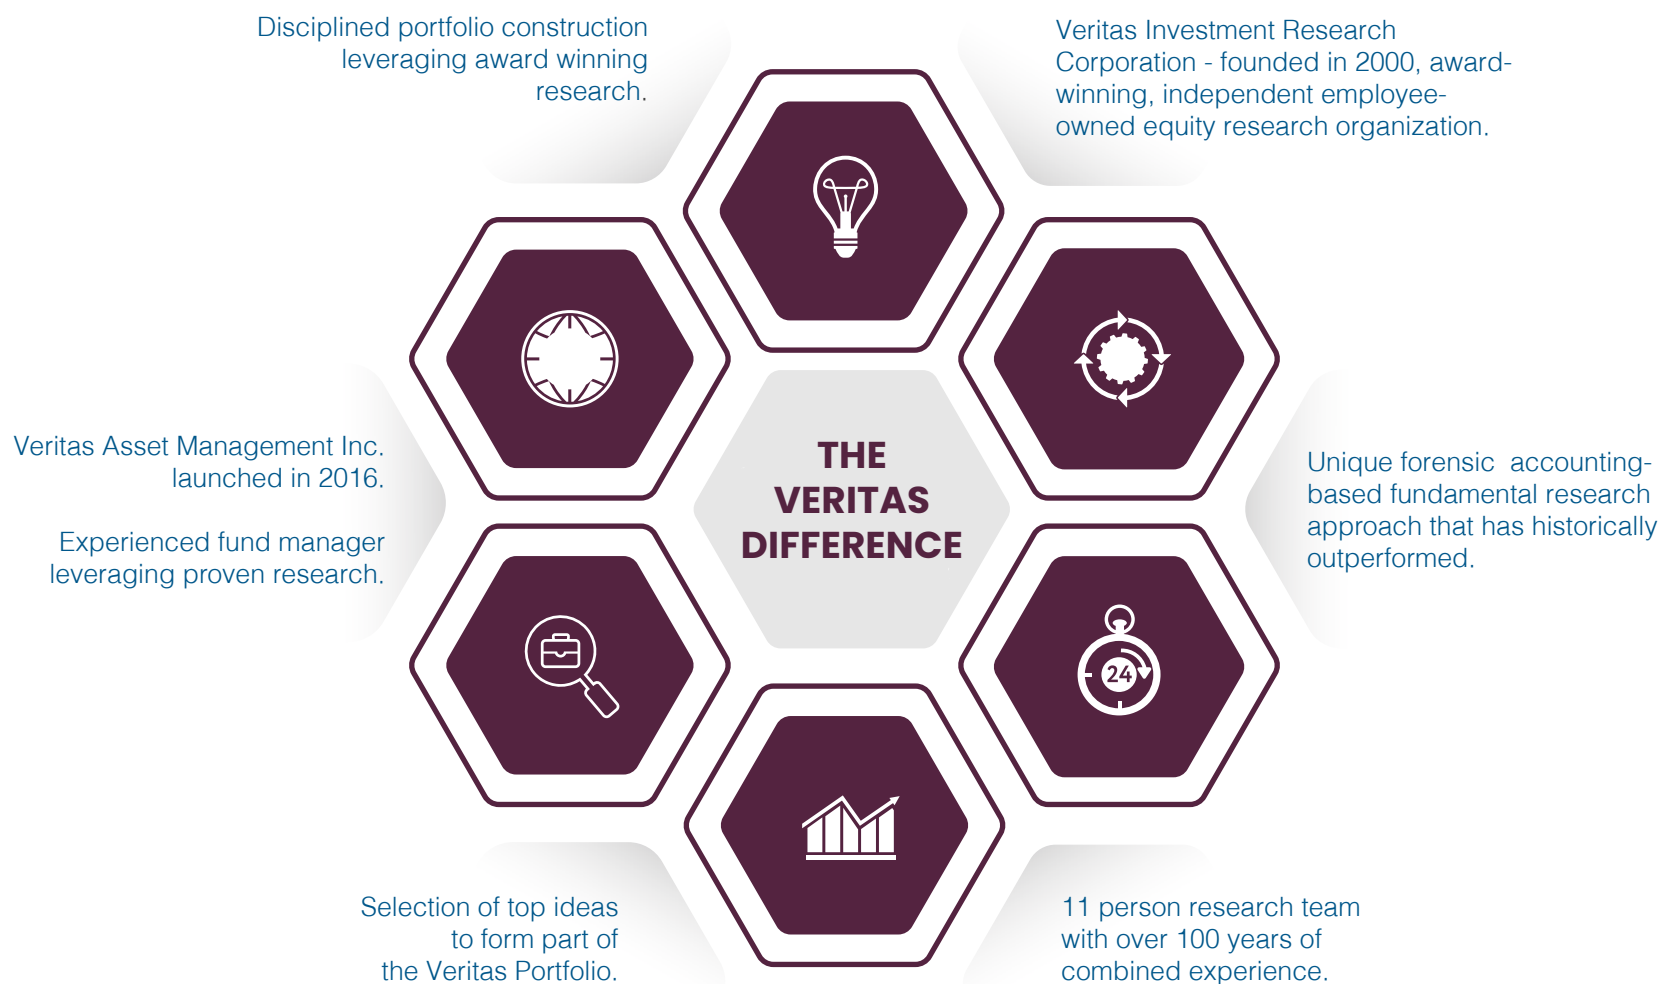

4

A Winning Combination: Veritas + Next Edge Capital

- ✓ Veritas security selection combined with a veteran Next Edge Capital Team in portfolio construction, and yield enhancement via covered options overlay strategy.

* Yield will be derived from dividends from portfolio holdings in addition to yield generated from covered option writing and the monthly distribution will be at a variable rate tied to each month's realized gains/yield per Class of applicable Units of the Fund and which may be greater to or less than the targeted annual yield of 5% per annum.
