Next Edge Strategic Metals and Commodities Fund

ABOUT THE FUND

The Next Edge Strategic Metals and Commodities Fund (the "Fund") seeks to provide long term growth of capital by investing opportunistically and primarily in equity securities of companies involved in the commodity and natural resource industry and those which benefit from technological innovation affecting the materials sector. Investments by the Fund may be made globally.

THE OPPORTUNITY

In the view of the Portfolio Manager, the combination of long-term underinvestment in the resource sector impacting supply, along with various demand drivers such as mass infrastructure spending, reopening of economies, and the longer-term move towards clean energy, provides vast opportunities for skilled managers to capitalize on the inefficiencies in the sector and makes investing in commodities an attractive opportunity.

Why Invest in Metals and Commodities?

- Increasing and multiple drivers of demand for various metals, minerals and resources (driving prices higher).
- Supply constraints (driving prices higher).
- Inflation hedge/protection against inflation.
- Diversification benefits due to low historical correlation to other asset classes.
- Attractive valuations and timing.

Why Invest in the Next Edge Strategic Metals and Commodities Fund?

- Delbrook has vast experience in managing assets in the sector and is entirely dedicated to the resource and commodity sector.
- The team possesses an impressive history of past performance via other mandates in the sector.
- The Fund is managed both actively and opportunistically, and approach the manager believes is critical to exploit the vast inefficiencies that exist in the resource sector, both long and short.
- Available as a prospectus-based mutual fund alternative allowing for ease of purchase and available to all investors.
- Registered Plan Eligible.
